

OPEN COUNTRY® H/T

Designed tough providing a comfortable ride

The Open Country H/T is an all season, light truck tire designed for optimal ride comfort, quiet performance and handling during city and highway use. This tire is available in a wide range of original equipment sizes, perfect for upgrading the ride quality of your light truck, SUV or crossover.

Designed to last longer and provide reliable carrying and towing power.

OPEN COUNTRY® H/T

Variable-Pitch Design

- Block pitch pattern distributed non-sequentially to enhance noise reduction.

Deep Water Evacuation Grooves

- For excellent road surface grip, cooler running and longer tread life.

Large Rigid Shoulder Blocks

- For increased rigidity for improved cornering and braking, reduces irregular wear, improving ride comfort

Multi-Wave Sipes

- Multi-wave sipes appear as the tire wears and interlock to help decrease block movement for increased resistance to irregular wear.
